

SUGGESTED WEBSITES TO GET MORE INFORMATION

(Check with your cell phone service provider and/or its website for parental control options for cell phones and cell phones with Internet access! Some have GPS tracking to monitor your kids' location)

www.mymobilewatchdog.com (IF you permit your kids to have cell phones with Internet access, this product alerts a subscriber “when unknown people try to call, email or text message your child. Exceptional activities are logged, allowing you to view, assess and take action on questionable contacts.” This product DOES NOT block them from surfing or accessing inappropriate sites or content on the web)

<http://www.mycrimespace.com> (Daily links to stories that appear around the nation/world about the crime, harassment, and bullying that takes place on social networking sites)

www.socialshield.com (Pay service that searches the web for your kid's e-mail address; “We look through all of the activity on all major social networks and present it in one, easy-to-understand report)

www.pipl.com , www.peakyou.com , www.spokeo.com , www.google.com, www.bing.com (Free search engines to help you find if your kids are on social networking sites; search by name, email address, etc.)

www.netsmartz.org (Interactive site for ages 5 through 17 sponsored by NCMEC, for kids, students, parents, educators and law enforcement)

www.netsmartz411.org (Parents' and guardians' premier, online resource for answering questions about Internet safety, computers, cell/smart phones, social networking and the Web)

www.cybertip.com (Report suspicious online activity encountered by you or your kids; sent on to appropriate law enforcement agency)

www.athinline.org MTV's A Thin Line campaign was “developed to help youth identify, respond to, and stop the spread of digital abuse in their lives and amongst peers;” appropriate for a teenage audience

www.familywatchdog.us (Find out where registered sex offenders live in your neighborhood)

www.netfamilynews.org (“Based on the premise that informed, engaged parenting is essential to kids' constructive use of technology and the Net.”);

<http://getnetwise.org/> (GetNetWise is a public service brought to you by Internet industry corporations and public interest organizations to help ensure that Internet users have safe, constructive, and educational or entertaining online experiences.)

www.safekids.com (“Your family's guide to making the Internet and Technology fun, safe and productive.”)

www.netlingo.com (Chat and computer terms, definitions, slang, acronyms)

www.bsecure.com (Filter example; used in the Szatkowski home since 2005)

www.webwatchernow.com , www.spectorsoft.com , www.guardiansoftware.com (Examples of monitoring software to records EVERYTHING that appears on the computer screen/monitor)

www.keycatcher.com (Example of *hardware* that secretly captures all keystrokes including passwords)

www.monitoringsoftwarereviews.org & www.parentalcontrolsoftwareguide.info
(Reviews, rankings and ratings for security software)
