CTAS
Coordinated Tribal Assistance Solicitation

Launched in FY 2010 in response to concerns about the lack of flexibility needed to address tribal criminal justice and public safety needs, and numerous grant applications.

Through CTAS, federally-recognized tribes submit a single application for most of DOJ’s Tribal grant programs.

For more information on CTAS – see [www.justice.gov/tribal](http://www.justice.gov/tribal)
Eligibility

• Federally recognized Tribe
• Tribal consortia (2 or more tribes)
  • A tribe part of a consortia can also submit its own independent application, so long as the activities are distinct
CTAS: Application Timeline

- Solicitation:
  - Opened November 19, 2015
  - **Closes February 23, 2016 (9pm Eastern)**
  - Recommended to register for GMS no later than February 2, 2016.
  - DOJ expects to award grants no later than September 30, 2016
Considerations

Worth Noting

- Like last year, the solicitation and application process is beginning earlier in the funding cycle by opening in mid-November, 2014.

- Like last year, potentially unfunded FY 2015 applications may be considered and funded in FY 2016.

- Purpose Area 2 strategic planning grantees will be prioritized for future funding

- Purpose Area 3 expanded to include the needs of young adults (18-25)
CTAS: What is New in FY 2016?

- OJJDP has ended the eligibility restriction on Purpose Area #9 TYP

Online Guide: Preparing for the Coordinated Tribal Assistance Solicitation

This online guide was created by the Education Development Center in coordination with the Department of Justice to assist Tribes as they prepare for, write, and submit their applications for complex grants such as the Coordinated Tribal Assistant Solicitation (CTAS).

This guide contains strategies to:

- Read and comprehend a complex grant solicitation
- Coordinate a robust grant-writing team
- Identify and articulate the needs of your community through data driven processes
- Generate and capture ideas and solutions from your community
- Organize key community players to execute the proposed program

Explore the tool
While planning and before submitting…

- Use **separate attachments** of documents when submitting your application to DOJ.
- Clearly label each attachment.
- Combine related attachments such as resumes so peer reviewers are not overwhelmed with multiple attachments.
- Double-space, 12-point font.

Tribal Community and Justice Profile
Part B: Tribal Narrative Profile

- Describe the community’s
  - Strengths
  - Resources
  - Challenges
  - Needs
- 15 pages
- Readers may not be familiar with community
- Each question should be answered!

Tribal Narrative Profile (25%)

You may enter as much text or as little as you need to fully describe your community as long as the total number of pages for the entire Tribal Narrative Profile does not exceed 15 pages. Remember that the individuals reviewing the application may not be familiar with the community, so descriptions should be as clear and detailed as possible. Be sure that every question is answered. If there are questions that you are unable to answer, provide an explanation as to why the information is unavailable.

1. Describe the general form of your Tribal Government.

2. Briefly describe the tribal justice system, including prevention or intervention initiatives for members at risk of involvement or already involved in the justice system (youth or adult); law enforcement, including any cross-jurisdictional agreements; courts; alternative dispute resolution; corrections, including juvenile detention facilities; services for victims and survivors of crime (e.g., violent crime, drug-related crime, child abuse, elder abuse, domestic violence, sexual assault, dating violence, and stalking); tribal reentry programs; and sex offender registry obligations. If services are not available within the tribe, please describe how they are accessed or provided.

3. Describe the significant tribal justice, community safety, juvenile delinquency, and victimization issues (e.g., child abuse, elder abuse, domestic violence, sexual assault, sex trafficking, dating violence, and stalking) facing the tribal nation and explain why these issues are the most pressing. Ensure that the problems described are connected to the purpose area(s) for which the tribe is applying. For example, if the tribe is applying for Purpose Area #1 (COPS Tribal Resources Grant Program-Hiring Tribal Resources Grant Program-Training), the tribe should discuss law enforcement-related issues. If the tribe is applying for multiple purpose areas, all of the relevant issues should be identified in this portion of the profile.

4. Describe current and future plans to comprehensively address the tribe’s public safety, criminal and juvenile justice, or victimization issues (e.g., violent crime, drug-related crime, child abuse, elder abuse, domestic violence, sexual assault, dating violence, and stalking).

5. Discuss any additional information about your tribe that would be important in the understanding and evaluating your application.

The Tribal Community and Justice Profile will be rated based on the following criteria:

- The extent to which the application fully responds to the requested information
- The need for funding as described in the Tribal Community and Justice Profile
Project/Program Timeline

Timeline should encompass

- entire federal project period
- indicates objectives and major tasks
- assigns responsibility for each, and
- plots completion of each task (can be by year and month or quarter)

The Project/Program Timeline will be rated on

- Extent completed and reasonable
- Extent to which all activities can be reasonably completed within the grant period and with the resources allocated

What is a Drug Court?

From BJA Drug Court RFP:

Drug courts are part of the larger universe of problem-solving courts, and have been demonstrated (where implemented in an evidence-based manner) to reduce recidivism and substance abuse among high-risk substance abusing offenders and increase their likelihood of successful rehabilitation through:

- early, continuous, and intense treatment,
- close judicial supervision and involvement (including judicial interaction with participants and frequent status hearings),
- mandatory and random drug testing,
- community supervision,
- appropriate incentives and sanctions, and
- recovery support aftercare services.
What is a Healing to Wellness Court?
From BJA Drug Court RFP:

• The Tribal Healing to Wellness Court program designs must function in accordance with the tribal specific key components – see *Tribal Healing to Wellness Courts: The Key Components publication*

[www.wellnesscourts.org/HWC_PUBLICATION_SERIES.cfm](http://www.wellnesscourts.org/HWC_PUBLICATION_SERIES.cfm)
Grantees **must provide data that measure the results of their work.**

For each applicable Purpose Area, sample performance measures and required data are listed. The listed measures and data are not exhaustive, but are intended to provide applicants with insight into the measures and data on which they will be expected to report.
Submission of performance measures data is not required for the application.

Performance measures are included as an alert that successful applicants will be required to submit specific data to DOJ as part of their reporting requirements after an award is made.

CTAS RFP: Pros

- Tribal specific RFP/funding source
- Specific references to Tribal Healing to Wellness Courts in purpose areas #3, and 8
- Peer reviewers will have tribal court specific knowledge
- Under Purpose Area #3 (TCAP/IASAP), there is substantial funding ($16.8 million) and many grant awards annually (approximately 20-30 awards)
- Potentially more flexibility to design a Healing to Wellness Court to meet the specific needs of an individual community
- No match requirement
- Healing to Wellness Court objectives can be better incorporated into an overall tribal plan through CTAS
- Most tribes are already planning to submit CTAS proposal
CTAS RFP: Cons

- Not a Healing to Wellness Court specific RFP/Solicitation
- Peer reviewers may not have adequate drug court knowledge
- Purpose Area #3 incorporates a very wide range of possible projects. Likely a great deal of competition
- Very complex CTAS application process with many moving parts requiring substantial intra-tribal coordination
- Very limited page and formatting requirements

Common CTAS Problems: biggest reasons for unsuccessful CTAS applications overall

- Not responding to all of the requested information

- Failed to draw connection between pressing problems identified in the “tribal community and justice profile” and programmatic activities proposed in the “purpose area narrative.”

- Not providing the requested information in relevant section where peer reviewers could easily locate it

- Failed to draw the connection between the proposed budget and the programmatic activities requested in the “purpose area narrative.”

- Inconsistencies within proposal - different writers by section

- Did not provide specific measurable targets for performance measures
Tips for submitting a CTAS proposal

1. **Read the Solicitation.** No detail is too small and no instruction should be ignored. Be sure to respond to all questions and requirements in the solicitation.

2. **Check all of the resources available through the CTAS website.** Many required forms – such as the vital narrative questions by purpose area – are only available online.

3. **Don’t wait until the deadline to apply!** Avoid connection issues with the Grants Management System (GMS) and apply early. GMS runs slowly on the deadline day because of increased website traffic.

4. **Go back and review the “tribal community and justice profile” after completing the purpose area narratives:** Ensure that the connection is clear between pressing and programmatic activities.

5. **Go back and review the budget after completing the purpose area narratives:** Ensure the connection is clear between proposed budget and programmatic activities.
Tips for submitting a CTAS proposal

1. **Contact the relevant agency/personnel** if you have any questions about the solicitation, eligibility or purpose areas.
2. **Submit a single application for each Tribe.**
3. **Include all required documents** listed in the checklist by the deadline.
4. **Complete a budget** that justifies what the application is proposing for each Proposal Area requested.
5. **Include additional documents as required by each Purpose Area!**
6. **Follow Directions!** Pay close attention to formatting, file name, spacing, margins, and page length requirements.
General Approach to Federal Grants

1. Plan Ahead – *Do Not Wait until the RFP is out*
2. Regular Annual Rhythm/Pattern for most Federal Grants
   
   *(RFP in January-April with Grant Award not until September)*
3. Contact Agency Grant Managers
4. Contact Tribal Technical Assistance (TA) Providers
5. Review Online Resources and Prior Proposals
6. Serve as Peer Reviewer *(or at least Mock Peer Review Exercise)*
7. Register on Grants.gov and GMS well ahead
If You Have Applied Unsuccessfully:

- Always ask Agency to provide you with strengths and weaknesses comments
- Keep prior proposals & comments (*although different review panel each time*)
- Ask Agency what other services can be provided such as:
  - Training and Technical Assistance (T/TA) without grant
  - Capacity Building
  - Scholarships for Conferences/Trainings
- Ask Agency who was funded and for copies of successful applications
- Ask Agency for TA Provider contact information
Tips for Writing Grants

• Focus on deadline and any necessary attachments (*tribal resolutions, support letters*)
• Use scoring criteria as a general guide for how many pages you devote to each section
• Use all available pages
• Utilize attachments if at all possible (*timeline, support letters, etc.*)
• Follow all format directions (*such as labeling sections/page numbering*)
• Make it easy for the reviewer to read and score
• Have staff internally review and score
• Always PDF everything
• Do something different, interesting, and replicable
